**To: Harbor Master / Port Authority  
Mina Zayed Port (MZP) – RoRo Jetty  
Abu Dhabi, United Arab Emirates  
Attn.: Duty Officer / Marine Department**

**Subject: Submission – Supplier Certificate of Conformity (CoC) and Supporting Dossier for 12m Linkspan / RoRo Ramp System (LCT BUSHRA / DU5025)**

Dear Sir/Madam,

Mammoet Malaysia Sdn Bhd (the equipment owner/supplier) hereby submits the attached Supplier Certificate of Conformity (CoC) together with the supporting engineering dossier for the 12m Linkspan / RoRo Ramp System mobilised for the HVDC transformer RoRo operations at Mina Zayed Port RoRo Jetty in connection with LCT BUSHRA (DU5025).

The supporting dossier is provided for your technical review and includes engineering calculations, drawings and independent strength check documentation to demonstrate the structural adequacy of the Linkspan arrangement under the intended RoRo operational conditions.

We respectfully request the Harbor Master / Port Authority to review and acknowledge acceptance of the submitted documentation to permit continuation of the RoRo operations.

Should you require any additional information, clarifications, or site inspection, please advise at the earliest convenience.

Yours faithfully,

**For and on behalf of Mammoet Malaysia Sdn Bhd**

**Attachments:**

- 1 1) Supplier Certificate of Conformity (CoC) – 12m Linkspan / RoRo Ramp System (Rev 00).
- 2 2) Supporting Dossier – Calculations / GA / RoRo Simulation / Aries Marine Strength Check (Rev 00).
